Regular Decoding

The image features a large airport tarmac with several airport workers and vehicles. There are two men on a small cart, pulling a large cargo container, possibly a shipping container or a piece of luggage. Another man is standing nearby, possibly observing the process or waiting for his turn to assist.

In addition to the workers and the cart, there are two **motorcycles** on the tarmac, one located closer to the left side and the other towards the right side of the scene. A **truck** can also be seen in the background, likely used for transporting cargo or luggage. The overall scene depicts a busy airport environment with workers handling various tasks.

EAZY

LLaVA-1.5

The image features a man driving a small vehicle, possibly a golf cart, pulling a large cargo container on the tarmac. The man is wearing a **white helmet** and appears to be in the process of loading or unloading the cargo. Another person is standing nearby, possibly assisting with the task.

In the background, there is an airplane visible, indicating that the scene takes place at an airport. The cargo container is quite large, occupying a significant portion of the tarmac area. The presence of the airplane and the cargo container suggests that the airport is actively handling cargo transportation and logistics.
