Please describe the image in detail.

## **Regular Decoding**

The image features a unique clock statue located in an open area, possibly a city park or plaza. The clock is situated on top of a podium, with its large clock face facing the viewer. Two eagle statues are positioned on either side of the clock, adding an interesting artistic touch to the area. Additionally, there are **two cars** parked in the background, near the edge of the open area. A **person** can also be seen in the middle of the scene, possibly admiring the clock and eagle statues.

## **EAZY**

Shikra

The image features a large clock on top of a building, with two tall birds on either side of it. The clock is situated in the middle of the scene, drawing attention to the time it displays. The sky serves as a background for the clock and the birds, creating a unique and interesting atmosphere. Additionally, there is a car parked in the background on the left side of the scene. The presence of the car indicates that this area might be a public space or a place with some degree of human activity.
